

Grizzly Adams® Productions Presents
Exceptional
Investment Opportunities

Grizzly Adams® Productions (GAP), in collaboration with MillionaireAsia, held a luncheon presentation on 6th March 2009 at Huang Ting Chinese restaurant to introduce Private Placement Offerings for 25 planned GAP projects.

GAP, the second most prolific American producer of family friendly movies, TV shows and DVDs – with an estimated value of US\$25 million – was on the lookout for funding partners to increase production and expand local and international distributions.

Over 42 MillionaireAsia guests were welcomed by Brian Yim, Group Publisher & Managing Editor. “MillionaireAsia is pleased to collaborate with GAP not just because we believe

it offers a very attractive investment proposition but importantly, it is also an opportunity to be involved in creating positive media messages that support traditional family values.”

David W Balsiger, Vice President and COO of GAP, gave a detailed presentation and showcased film extracts, providing guests with a good overview of the investment opportunity, which in a nutshell involves private- or direct-placement offerings to allow discerning and qualifying investors to diversify and participate in a package of movies and TV shows – where investment amounts might vary and where, based on historical performance data, projected internal rates of returns are exceptional.

Investors interested in supporting family friendly values entertainment can invest in GAP’s Private Placement Offerings of TV-movie slates for as little as US\$100,000. Return of principal is guaranteed by GAP. The average annual internal rate of return is projected at 20-37%. Also, for investors wanting more involvement, GAP is offering a 49% equity buy-in option.

To complement the informative afternoon session, Huang Ting Restaurant’s Imperial Set Menu was specially prepared for all invited guests. The menu included Crispy Fresh Prawn Wrapped in Shredded Potatoes and Marinated Sliver Bait Fish with Salted Egg Yolk, Deep-Fried Marble Goby with Light Soya Sauce, and Chilled Lemongrass Jelly with Tropical Fruit. ■
